**Text:** *Thinking Mathematically*, 5<sup>th</sup> Edition, Robert Blitzer (Prentice-Hall)

**Course Description:** *Mathematics for the Liberal Arts* is designed for students intending to major in a Liberal Arts area other than Mathematics or the Physical Sciences.

Material may include sections from chapters 1-7, 9, 10, 15.

**Attendance Policy:** In order to succeed in this class it is to your benefit to attend all classes. If you are absent for any reason you are responsible for the material covered in class as well as any announcements made during class. **In the event that you are absent the day of an exam you must call or e-mail within 24 hours and have a documented emergency in order to take a make-up exam.** The make up exam will be only 10 questions in length and different from the in class exam. This make-up exam will be given **at the end of the semester** during final exam time. It is your responsibility to confirm and make arrangements for this make-up, I will not be reminding you that it must be taken.

**Cell Phones:** Cell phones should be silenced during class and there should be no texting during class.

**Exams:** There will be 4 exams each worth 100 points.

**Grading:** Your final grade will be calculated by dividing the total number of points you have earned by the total number of points possible. The following scale will be used to determine your letter grade:

A 90-100      B 80-89      C 70-79      D 60-69      F Below 60

The NA grade will be given only to students who stop attending before the first exam and/or graded assignment. Anyone who does not officially withdrawal by the school deadline (04-26-11) and stops attending after the first exam will receive an F.

**Note:** The grade you earn is the grade that you will receive.
